A dedicated and enthusiastic programmer with a first-class BSc in Games Technology including a yearlong industry placement at Sumo Digital's Leamington studio. Interested in development of a variety of game genres with a particular interest in educational and serious games.

JOB EXPERIENCE

UWE Bristol — Student Ambassador [2021-2022]

- Assisted in a variety of events including Open Days, Offer Holder Days and School Enrichment Days.

Sumo Digital Ltd — Placement Programmer [2020-2021]

- Contributed to game projects: fixing bugs, completing tasks, implementing new systems.
- Reviewed colleagues code and resolved comments on reviews for my own code.
- Worked in a team and collaborated with others to complete tasks in a quick time frame.

Stand-Store — Digital Marketer [2017-2020]

- Managed social media communications designed to promote company brand, image, and products.
- Carefully packaged finished products and prepared for shipment.
